Insurance

Columbia™ is Loadsure's data-powered Motor Truck Cargo and Logistics Insurance product; enabling insurance retailers to efficiently quote/secure coverage through dynamic quote/bind/policy generation.

Its market-leading coverage protects motor carriers, freight brokers, and freight forwarders for their liability for damage to cargo (property of others).

Columbia encompasses eleven (11) Supplemental Coverages, in addition to the main insuring agreement, including:

- Business Personal Property
- Contingent Coverage
- Contractual Penalties
- Debris Removal
- Extra Expense
- Freight Charges
- Shipping Containers

Key Benefits

- Quick, easy digital quoting experience
- Fair, sustainable pricing, through data-powered, risk-specific underwriting
